SHIPMENT INFORMATION			
Shipment Reference	SC-379188		
Product / Cargo	electronic shipnment		
Cargo Type	ELECTRONICS		
Origin	india		
Destination	iran		
Port of Loading	kandla		
Port of Discharge	ahf h		
Shipping Mode	SEA		
Payment Terms	FOB		
Expected Ship Date	17/6/2026		
EXPORTER DETAILS			
Exporter Name	aljfpap[ajf		
Company	fpojph		
Email	vikashima9162@gmail.com		
Phone	9835194206		
GST / Tax Number	sadpohfpfhypa		
IEC Code	afloiaphfp		
CONSIGNEE (BUYER) DETAILS			
Consignee Name	lafhahfhf		
Country	afhfp[afj		
Address	af;la[f[h]fhfn		
Notify Party	lafhahfhf		
CARGO & INVOICE DETAILS			
Invoice Number	inv-209		
Invoice Value	USD 89		
No. of Packages	2000		
Gross Weight	3000 KGS		
Net Weight	2029 KGS		
Volume (CBM)	19		
HS Code	8517.62		
DOCUMENT STATUS

Customs Duty / Tariff	10-15% customs duty + 5% VAT = ~15-20% total
Handling & Documentation	As per tariff schedule
TOTAL ESTIMATED LANDED COST	USD 1000-1500 (estimated landed cost)
📋 COMPLIANCE SUMMARY	
The shipment from India to Iran is non-compliant due to missing documents and incomplete information. The product 'electronic shipment' falls under the HS Code 8517.62. The freight cost for this route is estimated to be USD 800-1200. The customs duty in Iran is estimated to be around 10-15% for electronics. The shipment lacks essential documents such as a commercial invoice, bill of lading, and certificate of origin.	
⚠️ Regulatory Note:	
Iran has specific import regulations for electronics, including a requirement for a certificate of origin and a phytosanitary certificate. The customs duty rate for electronics in Iran ranges from 10-15%. Additionally, Iran has banned the import of certain electronic items, and the shipment must comply with labeling requirements and other regulations.	
⚠️ ISSUES IDENTIFIED	
❌ Incomplete shipment details	
❌ Missing documents	
❌ No GST Number or IEC Code provided for the exporter	
✅ RECOMMENDATIONS	
✅ Provide complete shipment details	
✅ Upload all required documents	
✅ Obtain necessary permits and licenses for the export of electronics to Iran
