Ø=Ü# COMPLIANCE SUMMARY	
The shipment from Nhaeva to Jebel Ali is non-compliant due to missing critical documents and information. The HS code for cotton textiles is 5208.11, but the customs duty estimate and freight cost cannot be accurately determined without more details. The shipment lacks essential documents such as a commercial invoice with values, bill of lading, and certificate of origin.	
& Regulatory Note: For imports into the UAE (Jebel Ali), cotton textiles are subject to a 5% customs duty. Additionally, a 5% VAT is applicable. Importers must comply with UAE labeling requirements and ensure that products meet local standards. Certain textile products may require additional certifications or licenses.
